BEGINNING OF THE BATTLE.

The first ballot in the Utah senatorial somest was taken yesterday. It was more formal than significant. There were no developments. No candidate was surprised, with the possible exception of President Nebeker of the senatorial tion to the United States has not shared the marvelous prespectly of others though growers of wool personal tion of President Nebeker of the senatorial tion the United States has not shared the marvelous prespectly of others though growers of wool personal tion of President Nebeker of the senatorial tion the United States has not shared the marvelous prespectly of others though growers of wool personal tion of the fact that the measurement and child-distribution to the fact that the measurement and child-distribution to the fact that the measurement and child-distribution to the fact that the woolen industry in the United States has not shared the marvelous prespectly of other strongly and the Newton and the Norvich assigns of the Chicago the Chicago that the woolen industry in the United States has not shared the marvelous prespectly of the tion Nebeker of the senatorial tion the contemporary in qu

were no developments. No candidate was surprised, with the possible exception of President Nebskeer of the sense here installant that the Democratic target was surprised, with the possible exception of President Nebskeer of the sense here installant meant no such thins. All the surprised was a rather cold procedure. Normaling speeches were dispensed with, and no applains followed the announcement of any cote.

This was not due to a lack of interest, but it was the matural result of a general understanding among the candidates and members that the yote world less just about as it was cast.

The first skirmish is over. The recommendating parties are apparently gatisfied with the showing mose, In all probability the lines will be drawn a little closer today. But the four section was all the suite and adjourn. Then the real battle will will appeal and adjourn. Then the real battle will will always the most of the productions about not be exaded, that the resulting from that and the productions about not be exaded, that was the dead of the conditions of the various state or gainstance in the Chenge platforms and include the Democratic with the training and the productions are paperantly gates and members that the yote would be joint about as if was cast, the first skirmish is over. The recommendation of the productions about not be exaded, that the contracting parties are apparently gates to the production of this should have the homes benefits resulting from that and adjourn. Then the real battle will be appealed by the committee which the showing most of county with the law and adjourn. Then the real battle will be appealed by the productions about not be exaded, that the conceived to be adjusted to the productions about not be exaded, that the conceived to be a distinctly good serimen, and hard become cannot corrupt the complete of the productions of the various state or gainstance of the various state or gainstance.
